Dear colleagues and friends,

I am writing to let you know about the status of NYSARSC's 2021 Virtual conference.

We regret that we are cancelling the 2021 Virtual Conference and will focus our attention on a 2022 **in-person** conference in **Syracuse, New York**. We look forward to seeing you all.

Despite our best efforts, we could not circumnavigate the influences of the pandemic. We explored several avenues to host our conference but felt that we could not bring to you a conference that would match the high caliber of our past conferences. The pandemic has put a toll on all of us and we believe that may have led to a lack of interest for having a virtual conference at this time.

As President, I accept full responsibility and apologize.

My term as President of NYSARSC will end soon. It has been an honor and a pleasure to serve.

Thank you and we look forward to your support for our 2022 in-person event in Syracuse, NY.

Sincerely,  
Gwendolyn M Jones M.A.  
President
